BROAD RIPPLE VILLAGE

JUNE 13, 2011 | CONCEPTUAL DESIGN LOOKING SOUTH WEST

“Visitors to the Broad Ripple area will have a **safe, secure, well-lit area to park their cars**, while residents and their guests will more easily be able to find on-street parking near their homes.”

-- Mayor Greg Ballard (6-13-2011)

“We look forward to working with the developers and the City to create a dynamic Village gateway.”

--Tom Healy, Broad Ripple Village Association (6-13-2011)

MAKING INDIANAPOLIS ONE OF THE MOST SUSTAINABLE, LIVABLE CITIES IN THE MIDWEST

Energy-Efficiency Improvements

The City is investing \$18 million in energy-efficiency improvements to benefit 61 public facilities. This investment will save taxpayers **\$1.7 million** annually in utility costs.

Efficient Fleet Saves Gas and Money

In 2009, **89** hybrid vehicles were added to the City fleet and in 2010, **25** more hybrid vehicles were added. These cars average 41 miles per gallon and will annually save an estimated **630** gallons of gas per vehicle.

LED Traffic Signal Retrofits Save Money and Energy

The City has replaced more than **9,300** incandescent signal bulbs with LED bulbs and is saving 41% on the energy costs of operating traffic signals. The new signal bulbs also last 10 times longer than the old bulbs, which reduces the City's maintenance costs.

2011 MAYOR'S bike ride

Neighborhood Services

The 2011 Great Indy Cleanup

Totals for the Great Indy Cleanup Kick-off month

City of Indianapolis partnered with Keep Indianapolis Beautiful

- More than **7,000** volunteers engaged
- More than **150 cleanup events** throughout Marion County in April
- **1.8 million pounds** of litter removed from public areas in Marion County
- This was the most successful month in the history of Indianapolis for litter cleanups.

Thank you for joining us this evening.
